About This Book

Put the space between your ears to the ultimate test – Rocket to Mars! Construct an electronic power glove! Or just rate your five favourite pizza slices.

Choose between a raw onion or dried worms. Build the most amazing spacecraft ever. Wrestle an alligator or swim with the sharks. Find out what you're really made of!

There's plenty of graphic-packed pages full of questions, plus pages for dudes to create masks, write secret messages, and collect weird stuff.

Includes rocket-shaped pen!
