## About This Book

What's better than a purrrmaid? A *mermicorn*!

Coral, Angel, and Shelly can't wait to work on their school project about creatures in the ocean. There are so many animals to choose from! How do you pick just one? Then Angel remembers something she read about in a book – a mermicorn! It's perfect...but are mermicorns real? Angel thinks so! And a student at the Science Center just might help her prove it!
