About This Book

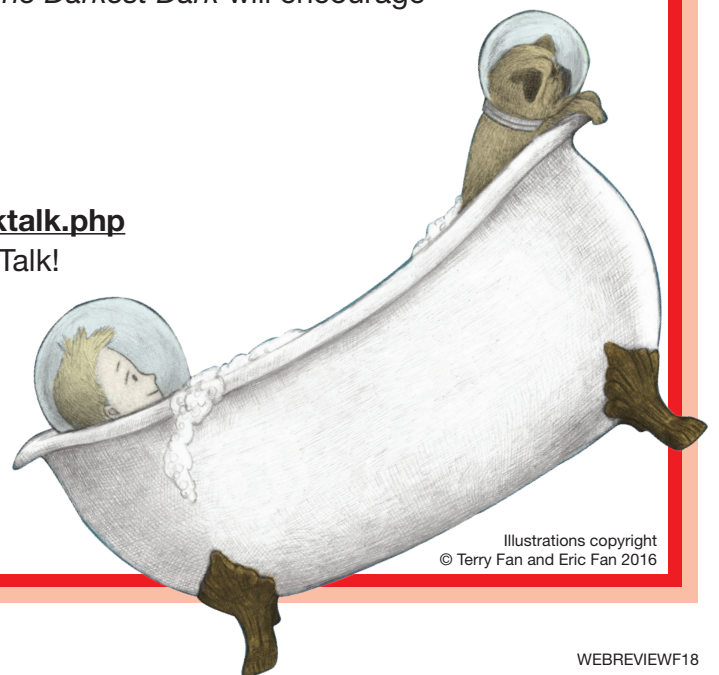

Chris loves rockets and planets and pretending he's a brave astronaut, exploring the universe. Only one problem: at night, Chris doesn't feel so brave. He's afraid of the dark.

But when he watches the groundbreaking moon landing on TV, he realizes that space is the darkest dark there is – and the dark is beautiful and exciting, especially when you have big dreams to keep you company.

Inspired by the childhood of real-life astronaut Chris Hadfield and brought to life by Terry and Eric Fan's lush, evocative illustrations, *The Darkest Dark* will encourage readers to dream the impossible.
